In re Application of	:	
Thomas E. Drake Jr., et al.	:	
Application No. 10/634,342	:	DECISION ON PETITION
Filed: August 5, 2003	:	
Attorney Docket No. LMP051USC1	:	

This is a decision on the petition under the unintentional provisions of 37 CFR 1.137(b), filed November 9, 2007, to revive the above-identified application.

The petition is **GRANTED**.

The application became abandoned for failure to reply in a timely manner to the non-final Office action mailed, August 1, 2006, which set a shortened statutory period for reply of three (3) months. No extensions of time under the provisions of 37 CFR 1.136(a) were obtained. Accordingly, the application became abandoned on November 2, 2006.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of an amendment, (2) the petition fee of \$1540.00, and (3) a proper statement of unintentional delay.

It is not apparent whether the statement of unintentional delay was signed by a person who would have been in a position of knowing that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. Nevertheless, in accordance with 37 CFR 10.18, the statement is accepted as constituting a certification of unintentional delay. However, in the event that petitioner has no knowledge that the delay was unintentional, petitioner must make such an inquiry to ascertain that, in fact, the delay was unintentional. If petitioner discovers that the delay was intentional, petitioner must so notify the Office.

The Revocation Power of Attorney submitted with the petition on November 9, 2007, is not accepted. The Revocation Power of Attorney was sign by John F. McGowan, acting on behalf of the assignee. However, the Revocation and Power of Attorney does not comply with 37 CFR 3.73(b) it does not state that the person who signed is authorized to act on behalf of the assignee (*See* 37 CFR 3.73(b)). In accordance with 37 CFR 1.34(a), the signature appearing on the petition shall constitute a representation to the United States Patent and Trademark Office that he/she is authorized to represent the particular party in whose behalf he/she acts. However, if petitioner desires to receive future correspondence regarding this application, the appropriate power of attorney or authorization of agent must be submitted. A courtesy copy of this decision is being mailed to petitioner. Nevertheless, all future correspondence regarding this application file will be directed solely to the address of record until otherwise instructed. A copy of a blank 3.73(b) Certificate is enclosed with this decision.

Telephone inquiries concerning this decision should be directed to JoAnne Burke at (571) 272-4584.

This application is being referred to Technology Center AU 2886 for appropriate action by the Examiner in the normal course of business on the reply received.
